Paige proposed to Alberto Del Rio right in the middle of a wrestling ring. It was so surprising but romantic. Even though this sounded so nice and cool, some parties are not happy with the engagement.

More so, Angela's lawyer, Raymond Rafool stated that Del Rio is still legally married to Angela Velkei. According to Raymond, Del Rio's divorce with Angela is beyond settlement and he further gave Paige some piece of advice that will help her future as a young lady. "Paige should watch carefully how Alberto is denying and treating his current wife and the mother of his children in this divorce. History repeats itself." Raymond said.
